Golf Shop – 303.660.2200

331 Players Club Dr. ~ Castle Rock ~ Colorado ~ 80104 ~ 303.660.2200 ~ www.GolfPlumCreek.com

# Event Registration/Cancellation

**Registration:** It is the sole responsibility of the Ladies League Member to sign up for the events they wish to play! Registration for all events will be handled via Internet only! Players calling the golf shop will be directed back to the website below for all registrations. **NO REGISTRATIONS WILL BE TAKEN VIA PHONE!**

**How to Register for an Event:** Go to The Plum Creek Golf Club website [www.GolfPlumCreek.com](http://www.GolfPlumCreek.com) and select the “Leagues” Drop down menu. Next Click on “Ladies 18 Hole League” and then “Event Registration. Click on “New Registration”, type in your last name and follow the prompts to complete the registration. You can also edit and cancel a past reservation by clicking “Edit Registration”.

**All tournament entries will close on Monday at 11:59 p.m., 8 days prior to each event!** The only players who will be allowed to enter after the tournament has closed will be those filling any openings in groups that are vacant. Late entries will be on a first come, first serve basis. **Flights and Pairings of the tournament will not be altered for late entrants!** All late entries will compete in their appropriate flights from their appropriate tees.

**Cancellation of an Event Registration:** It is the individual’s sole responsibility to cancel properly by **sending an email** to the Head Golf Professional, [cy@GolfPlumCreek.com](mailto:cy@GolfPlumCreek.com) by 5:00 PM on the Friday before the event.

**“No-Show” Policy:** Individuals that fail to show for an event for which they have registered will be charged \$50.00! (Annual Card Holders included!)

## Membership Responsibilities and Benefits

**All members of the Plum Creek Ladies League will:** (Committee reserves the right to modify at any time)

- Pay appropriate annual dues
- Have USGA Amateur Status
- Provide valid credit card number to be on file with golf shop

**Each Member will have the following benefits:**

- USGA Handicap services
- A discounted rate for “Green Fees” each tournament round
- 15% discount off suggested retail on all in-stock golf merchandise (will not apply to sale items)

# Tournament Fees

Each Plum Creek Ladies League Member will have paid for their prize fund for each event by paying their entry into the Ladies League. For each tournament round, **each member will be charged the \$50.00 tournament green fee automatically** by the golf shop for each day of play! Annual cardholders will not be charged. Walking is available but there is no additional discount since golf cars are included complimentary. The rates are based on shared carts as the current COVID-19 guidelines allow the use of shared golf cars. We understand that some players are still hesitant to share golf cars with other players. Therefore, single rider carts are available for those who need them at an additional fee of \$20.

## Optional Cash Games

**Optional Cash Game registration closes 30 minutes prior to last tee time of the day's event!**

There will be optional cash games that each participant may enter for each day of competition. Daily registration is required! Cash only please!! Normally there will be the following optional games to enter for each day of competition (may vary based upon event). Players who choose not to enter prior to play will not be eligible to win! Each individual/team may choose to enter none, all or select from the following games:

- **Closest to the Hole** (\$5 entry ~ pot divided by the two Closest to Hole Winners ~ non-flighted event)
- **Net Skins** (\$5 entry ~ pot divided evenly for net skins—must enter to be eligible)

Optional Hole in One Pot, optional \$5 cash for those who wish to participate. If anyone gets a hole in one during tournament play they will win the pot. However, you MUST have entered the cash contest prior to the start of the season to be eligible. If no one wins, the pot will be carried over to 2022.

## Flight Calculations/Tournament Pairings

### Event Tees

Red Tees                      4,828   67.0   126

### Flights for Individual Events

The tournament committee will create flights to make them as equal as possible based on handicap ranges and number of entries in each tournament. Chances are very good they will change from tournament to tournament. Our goal is to provide everyone with a challenging course and a competitive field so we can enjoy friendly competition and camaraderie while focusing on enjoyment for the game.

### Flights for “Team” Events

Flights for “Team” events will be calculated by the “Team’s” cumulative handicap. Size of flights will be in direct correlation to number of total entries. Our optimal goal will be to have the same number of teams in each flight. The Ladies League reserves the right to have unequal numbers of teams in each flight and to modify the number of flights to keep the competition fair for all players.

### Handicap Utilized for Flight Calculation and Tournament Play

USGA handicap will be utilized. The maximum course handicap for an individual for all competitions is 36. The Handicap Committee reserves the right to establish a course handicap for any player in order to make the competition fair for all participants. For example, the odds are 1 in 37,000 that a player with an index from 13 to 21 can score 10 strokes below their handicap. Should this occur for any player for two consecutive tournaments, the Handicap Committee may establish a Plum Creek Ladies League event course handicap for that player for future events. *Due to nightly revisions that started in 2020, it is not feasible for*

the golf shop to use the most current handicap on the day of play to prepare for the event. Therefore, the shop will use a prior revision date) and all players will be calculated off of the same revision date.

## **Tournament Pairings**

Once flights have been established, the Golf Shop will determine the pairings. **Pairings requests and times will always be considered but cannot be guaranteed. Please plan on mixing up foursomes for tournament play.**

# **Rules of Play/Local Rules**

## **Rules of Play**

The USGA Rules of Golf will govern all tournament play. Players may download a free version of the 2019 Rules of Golf by downloading the USGA Official Rules of Golf 2019 App on their phones or players may purchase a 2019 Rules book through various avenues online on their own.

For *stroke play events*, competitors are not eligible to play the golf course prior to a stroke play event on the same day. **All tournament rounds will be played on the same day. In the past, the course allowed players to play on different days but due to different course set ups and conditions, this will not be allowed in 2021. All scorecards must be signed and attested by both players before they are turned into the golf shop. Gross scores only should always be recorded on the official scorecard and no net scores are to be listed on the official card.** The Golf Shop will post all tournament scores in GHIN or GolfNet!

## **Disputes**

Any challenges or “call outs” for rules infractions brought to the board must have both parties present. If you need a ruling pertaining to the “rules of golf”, go directly to the pros in the Pro Shop. If it is Ladies League issue, bring it to the any of the Committee listed on page 2, and we will resolve it internally.

Under no circumstances is a player allowed to post another player’s score in the USGA system without their permission. If a competitor does post another player’s score without their permission, they will be asked to leave the Ladies League and their dues will not be refunded.

## **Local Rules**

Any local rules applicable to the daily play will be noted on the daily tournament rules sheet. It is each player’s sole responsibility to make themselves aware of the rules of play for the day.

## **“Pace of Play” Policy** (Local Ladies League Rule **WILL BE HIGHLY ENFORCED IN 2021**)

Pace of play is a key ingredient to adding enjoyment to the game. Plum Creek is committed to making pace of play an important aspect to our tournaments going forward.

Any group finishing in over 4 hours and 30 minutes, and 15 or more minutes behind the group in front of them will be penalized. Time is kept from the moment your cart leaves the first tee box until it arrives at the clubhouse. The Ladies League Competition Committee will assess penalties.

Penalty for infraction- All players in the group receive a two-shot penalty. This will be added to your gross score thereby affecting both gross and net scoring for that tournament.

Appeal of infraction- If a player feels she is unjustly penalized because of the slow play of one or two others in his group he may appeal the penalty. The other players will be questioned and if all agree that player 'A' was the reason for the slow play that will be the only person penalized.

**See attached Addendum I for additional information and guidelines on this important pace of play policy.**

### **Player "On Time" Policy** (Local Ladies League Rule)

1. Players will be assessed a 2-stroke penalty if they are not at the tee box, ready to tee off, when the starter instructs your group to play away. Player will be assessed penalty to the first hole played.
2. To paraphrase the rules of golf: Penalty for lateness beyond five minutes of player's starting time is disqualification.

**We strongly recommend that you check in with the starter and be at your appointed tee box 5 minutes before your time! Trains or weather delays do not excuse you from your responsibility to be at your tee on time.**

## **Local Rules**

### **Directions and Orientation:**

As used in these rules, left, right, near and far are determined by facing the hole from the tee box.

### **Immovable Obstructions:**

Steps, bridges, railroad ties and cart paths that are not out of bounds or within a penalty area are considered **Immovable Obstructions**. Players should proceed under **Rule 16.1**. Free relief can be taken within one club length from the nearest point of relief, no closer to the hole.

**On par 3's only**, the player may elect to go to the drop zone provided (See Drop Zones below). Since this is a player selection, there is a one stroke penalty.

### **Drop Zones:**

**\*Holes #2, #7, #12 & #17:** After the players first shot or any subsequent shot, they have the option (*under penalty of one stroke*) to move to the designated "drop zones" **located on the right side of hole 2, the left side of hole 7, the back of hole 12 and the left side of hole 17**. This is to help with pace of play.

**\*Hole #12:** If a ball is at rest on any part of the cart path between the two bridges to the right and left of the green, the player has the option to take relief under Rule 16.1 (*without penalty*) to move to the "drop zone" or the nearest point of full relief, no closer to the hole.

When using a Drop Zone the following provisions apply regarding the dropping and re-dropping of the ball:

- (a) The player does not have to stand within the Drop Zone when dropping the ball.
- (b) The dropped ball must first strike a part of the course within the Drop Zone.
- (c) If the Drop Zone is defined by a line, the line is within the Drop Zone.
- (d) The dropped ball does not have to come to rest within the Drop Zone.

- (e) The dropped ball must be re-dropped if it rolls and comes to rest more than two club-lengths from where it first struck a part of the course.
- (f) The dropped ball may roll nearer the hole than the spot where it first struck a part of the course, provided it comes to rest within two club-lengths of that spot.

## Tournament Payout Calculations

### Payouts for Individual and Team Events ~ Golf Shop Credit

- **35%** of each flight participants/teams will earn golf shop credit (rounding up at .5 or greater)
- Total number of payout places for gross and net positions are indicated below.
- Taking the total dollar amount available in the “Tournament Prize Fund Account” and dividing it by the number of play dates remaining on the schedule, dividing the purse equally, calculates the tournament purse. (Total of 12 play days.)
- To calculate the prize fund for each flight, take the total purse for the event and divide it by the total number of flights. (Rounding of figures will be utilized at Golf Shop’s discretion.)
- Each flight’s total purse will be distributed to the winning individuals/teams in Golf Shop Credit.
- Golf Shop Credits are redeemable for in-stock golf shop merchandise only!
- **All Golf Shop Credit expires in Mid-December each year.**

### Payout Percentages for General Flights

<u>3 places</u>	<u>4 places</u>	<u>5 places</u>	<u>6 places</u>	<u>7 places</u>
1st gross (40%)	1st gross (35%)	1st gross (30%)	1 <sup>st</sup> gross (27%)	1 <sup>st</sup> gross (23%)
1 <sup>st</sup> net (40%)	2 <sup>nd</sup> gross (15%)	2 <sup>nd</sup> gross (15%)	2 <sup>nd</sup> gross (15%)	2 <sup>nd</sup> gross (14%)
2 <sup>nd</sup> net (20%)	1st net (35%)	1 <sup>st</sup> net (30%)	3 <sup>rd</sup> gross ( 8%)	3 <sup>rd</sup> gross (10%)
	2nd net (15%)	2 <sup>nd</sup> net (15%)	1st net (27%)	1st net (23%)
		3 <sup>rd</sup> net (10%)	2nd net (15%)	2 <sup>nd</sup> net (14%)
			3rd net ( 8%)	3rd net (10%)
				4 <sup>th</sup> net ( 6%)

The “1<sup>st</sup> Place Gross” position will be determined first, then “1<sup>st</sup> Place Net” next, and so forth. A player may only win one place when competing for Golf Shop Credit. Golf Shop credit will be posted under your name in the POS system in the golf shop within 72 hours of tournament conclusion.

**As a member of the Ladies League, you will receive 15% off retail for all in-stock merchandise. Any credit must be spent prior to mid-December each calendar year. For best selection, Plum Creek recommends spending Golf Shop Credit prior to October 15<sup>th</sup>. Last shipments for new merchandise are received in late August.**

### Tie Breaking Method

Other than for “Over-All Club Champion”, all ties will be determined utilizing recommended USGA method: Matching cards of the best score for the last nine holes. If the tiebreaker is not determined, then utilize the best score for last six holes, last three holes and finally 18<sup>th</sup> hole. If further tiebreaker is needed, repeat procedure with first nine holes as above. To determine net winners utilizing above method, one-half, one-third, and one-sixth of tournament

handicaps will be deducted. Holes 10-18 will always be considered as the last nine holes of play for tiebreaker purposes.

## Club Championship

### Club Championship

- Club Championship will be a flighted 36-hole medal play event.
- The “Club Champion” will be the player with the lowest 36-hole total gross score played from the lowest handicap flight in the tournament.
- If there is a tie for the Overall Club Champion, there will be a sudden-death playoff immediately following the conclusion of regular play. Spectators for the playoff are encouraged to come out to see some great golf.
- **Since the second round is a week after the first, Plum Creek will allow players to play rounds in between Day 1 and Day 2 as long as the round is not played on the same day as Day 2 of the Championship.**

## Plum Creek Ladies League Handicap Policy

In keeping with the tradition of the Plum Creek Ladies League to promote friendly competition and camaraderie while focusing on enjoyment for the game, the following handicapping rules are in place.

A. Members with a current USGA Handicap Index:

Current USGA Index will be applied as the index.

B. Members with NO USGA Handicap or equivalent index:

Players will need to have a valid USGA handicap prior to the first round of play. In order to establish a handicap, the player must have at least 5 scores in before the revision date. Please keep in mind that players who do not have a current handicap are able to backdate scores in as well to establish a handicap. Players who do not meet the criteria will play as a 0 handicap until they have established a handicap.

The Plum Creek Ladies League Committee reserves the right to adjust a players USGA index based on a player’s current and past scoring history. There will not be any injury adjustments for handicaps or flights!!

## **Addendum I**

### **Pace of Play ~ Play Ready Golf**

Again, pace of play is a key ingredient to adding enjoyment to the game. The Plum Creek Ladies League is committed to making pace of play an important aspect of our tournaments going forward. Please review the pace of play policy so you are aware of this before the season starts.

For self-monitoring suggestions, the GPS System on the golf carts is set for a 4:20 round of golf. The top line on the GPS display informs players of their status to pace of play. The recommendation is that all players play “Ready Golf”! The course Marshals are instructed to inform all groups as to their position in relation to the group in front of you. The Marshals will inform the lead group (those without a group in front of them) as to their position in relation to the GPS System pace of play, informing the group as to how far out of position the group is, if any. The marshals are there to assist the Ladies League, please treat them with respect and courtesy.

For the group teeing off first please be cognizant of the fact that if you dally and play your round in 4:30, the last group will be doomed to have a 5 plus hour round. Nobody wants that! Remember, you control the Pace of Play for the entire day, and not just for the Ladies League, but for the entire course for the entire day. The dedicated people at the Plum Creek Golf Shop work with us to make our Ladies League successful. Let’s work with them to ensure an enjoyable golfing experience for everyone.

Here are some tips for speeding up play without feeling like you are being rushed:

- Members of a group should not travel as a pack, with all members driving together to the first ball, then the second, and so on. Each member of the group should go directly to her own ball.
- When two players are riding in a cart, drive the cart to the first ball and drop off the first player with his choice of clubs. The second player should proceed in the cart to her ball. After the first player hits she should begin walking toward the cart as the second golfer is playing.

- Use the time you spend getting to your ball to think about the next shot- the yardage, and the club selection. When you reach your ball you'll need less time to figure out the shot.
- If you are unsure your ball has come to rest in the natural area on your tee shot, or may be lost, immediately declare and hit a provisional ball.
- Begin reading the green and lining up putts as soon as you reach the green. Don't wait until it's your turn to putt to start the process of reading the green. Do it as soon as you reach the green so that when it's your turn you can step right up and putt.
- Never delay making a stroke because you are having a conversation with a playing partner. Put the conversation on hold; make your stroke, then pick up the conversation again.
- If using a cart on a cart-path-only day, take more than one club with you when you walk from the cart to your ball. Getting to the ball only to find out you didn't have the right club is a huge time waster on the golf course.
- After putting out, don't stand around the green chatting or take practice putting strokes. Leave the green promptly so the group behind can play.
- When leaving the green and returning to your golf cart, don't stand there fussing with your putter or other clubs. Get in the cart, drive to the next tee, and then put your putter away when you take your club out for your next tee shot.
- Likewise, mark your scorecard after reaching the next tee, not while lingering on or near the just-completed green.
- When using a cart, never park in front of the green. Park it only to the side or behind the green. And don't mark your scorecard while sitting in the cart next to the green (do it on the next tee). These practices open up the green for the group behind. And is additionally a safety measure.
- If you are the type who likes to offer tips to playing partners, save it for the driving range- or only do so on the course when you are sure that you're not slowing down play (and sure that you are not annoying your partners).
- Don't ask your playing partners to help you search for a lost ball- unless you are absolutely certain there is time for them to do so. If the group is behind pace, your partners should continue moving forward, not slow things down further by stopping to help you search.

- On the tee, pay attention to your partner's drives. If they lose sight of their ball, you can help direct them to it and avoid any searching. Players- when you hit an errant shot, keep your eye on the ball flight and mark where the ball comes down, don't look away in disgust, and remember you hit it!
- When waiting on the tee for the group in front to clear the fairway, don't be so strict about the order of play. Let the shorter hitter- who can't reach the group ahead- go ahead and hit.
- Work on building a precise pre-shot routine. If your pre-shot routine is a lengthy one, it's probably in your best interest to shorten it anyway. Limit practice strokes to one at most.
- Don't bother marking lag putts- go ahead and putt out if it's short enough and you won't be stepping on another player's line.
- Leave your cell phone in the car.
- Walk at a good pace between shots. No, you don't have to look like a race walker. But if your gait can be described as a "shuffle" or an "amble", you are probably going to slow. Speeding up your gait a little is good for your health, but also might help your game by keeping you loose.
- Carry extra tees, ball markers and an extra ball in your pockets so you never have to return to your golf bag to find one when needed.
- When chipping around the green, carry both the club you will be chipping with plus your putter so you don't have to return to the bag. Place your chipping club on the edge of the green between the hole and your cart so you can pick it up on your way back to the cart is a huge time saver.
- Try playing ready golf, where order of play is based on whose ready, not on who's away. Starting the round by saying you want to play ready golf sets the tone.
- When playing in team or match play events, know when to pick up if your score is not going to count.
- Note: Seeing a professional golf tournament on TV or in person is great fun, but tour professionals do a disservice to the regular golfer. If we imitate their pace of play, "public golf" would be a disaster- 5, 6, 6 ½, hours to play. They play at their pace because they are trying to make a living, AND they take less shots than we do.

Keep in mind we are here because we enjoy the game, competitive spirit, and camaraderie. Let's go out and enjoy our time on the course with each other!
